Our vision is for the Portland metro area to be a community where all older adults are nourished, cared for, and able to age in the setting of their choice.

Thank You to Our Corporate Volunteer Partners!
We're proud to partner with these companies and organizations who generously volunteer on an on-going basis.

Count On Us

Message from the Executive Director

In 2015, Store to Door's volunteers and staff served more people, delivered more groceries, and gave more hugs than any other year. At our 25th anniversary event, Nourish + Connect, together we celebrated and re-affirmed our commitment to supporting the health and dignity of older adults. We are keeping this momentum strong, driven by the knowledge that Store to Door's program is truly lifesaving. A client recently said, "If it wasn't for you, I don't know what I'd do. I'm all alone with no one else to rely on." Everyone deserves someone they can count on and we know there are

thousands more people who need Store to Door. The need continues to grow. This year, we are launching a groundbreaking plan to double the number of people we serve by 2019. As we grow, we remain committed to providing the high-quality, "high-touch" service Portland area seniors and adults with disabilities have relied on for more than a quarter century. Your continued support makes all of this possible - thank you!
