Nourishment. Connection. Dignity.

SPRING 2014, VOLUME 1

Celebrating Success

2013 was a banner year! We moved our office to Multnomah Village, right next door to the Meals on Wheels People, and, due to a remodel at the Stadium Fred Meyer store, we moved our shopping site to Hollywood Fred Meyer. Both of these new locations have been fruitful homes for our work.

Our clients continued to give positive feedback. According to the 2013 Client Survey, not only do 98% of our clients feel we

help them maintain their independence, 93% would recommend us to a friend. There is no greater compliment than that.

What's In Store for 2014

You'll notice that we have a brand new look. We are so pleased with our new logo, donated by **Lallo Communications Design**, and our fresh newsletter and brochure designs, created by **Sutton Long**.

Store to Door's new look is part of a strategic plan to increase our visibility and build capacity to serve more Portland area elders in need of grocery assistance and friendly visitors. Our vision is

for the Portland metro area to be a community where elders and people with disabilities are nourished, cared for, and able to age-in-place in the setting of their choice.

Meet Barb

We are delighted to welcome Barb McDowell as Store to Door's Volunteer and Outreach Coordinator.

Barb has eleven years of experience in non-profit management and marketing with the Leukemia & Lymphoma Society as well as a background in corporate volunteer involvement. Her introduction to Store to Door was as a weekly volunteer driver. "I'm so pleased to be working for such a great organization. I am enjoying working with all of our current volunteers and cultivating new partnerships!"

The Delight of My Week

Store to Door Volunteer Delivery Drivers use their own vehicles to make grocery deliveries on Wednesday and Thursday afternoons to Store to Door clients. Judy, one of our Volunteer Delivery Drivers says, "It is fun to do and I have met some interesting and vibrant people who I would not have met otherwise. I find it easy to fit into my schedule; it takes just one or two hours. It is so fulfilling and I have built up some wonderful and

close relationships. Making my Store to Door delivery is the delight of my week!"

Retired Firefighter and Paramedic Tim Smith is looking forward to a long partnership with us. He agrees with Judy, "The best part of volunteering is getting to know the people on my delivery routes. Not only do we provide a much needed

service, the weekly contact and conversations we have help us check on clients' well-being. They know that the knock on their door is all about seeing
