**Con-way's Michael Beaty Joins Store to Door's Board of Directors**

October 20, 2015 – Portland-based non-profit [Store to Door](http://www.StoretoDoorofOregon.org) is pleased to announce the addition of Michael Beaty, Sr. Manager of Finance & Payroll with [Con-way](http://www.con-way.com), to their Board of Directors.

For the past 25 years, Store to Door has supported independent living for Portland area seniors and people with disabilities by providing a low-cost, volunteer-based grocery shopping and delivery service. When it began in 1989, five volunteers shopped for twenty-five local seniors. Today, more than 500 clients are supported by hundreds of dedicated volunteers, donors and community partners who make over 7,500 grocery deliveries possible annually – a total of approximately 130,000 deliveries over the past quarter century.

Michael Beaty joins Store to Door's strong and growing Board of Directors that includes representatives from [Fred Meyer](http://www.fredmeyer.com), [Becker Capital Management, Inc.](http://www.beckercapital.com), [Oregon Elder Law](http://www.oregonelderlaw.com), and distinguished members of the Portland community.

"I am passionate about the opportunity to give back," commented Beaty. "Serving as board member for an organization such as Store to Door would be a most effective way for me to make a significant and lasting impact in our community."

Michael has worked for Con-way since 1994. He graduated from the University of Washington and is a member of both the American Payroll Association and Financial Executives International.

"It's an absolute honor to have Michael on Store to Door's Board," said Executive Director Kiersten Ware. "He offers a wealth of experience and is truly committed to making a difference."
